JOB AQUIRING SKLL TRAINING

A total of 6,343 job seekers have received valuable training in essential job acquisition skills, including but not limited to life coping skills, interview techniques, resume preparation, communication skills, and mock interviews. These skills have significantly enhanced their readiness for employment opportunities.

Additionally, 210 individuals were equipped with entrepreneurship skills through specialized training programs, which equipped them with the knowledge and tools necessary to pursue self-employment ventures. Furthermore, they were provided with guidance and support to embark on their entrepreneurial journeys, fostering economic independence and innovation within the community.

MACQUARIE

Volunteer Engagement

Don Bosco Job Placement Network, in collaboration with dedicated volunteers from the Macquarie Foundation, has made a significant impact on the lives of unskilled youth by offering them employability skill training.

This initiative aimed to empower these young individuals with valuable skills, enhancing their prospects for a brighter future. Through a series of 8 online training programs, a total of 690 youth were equipped with the tools and knowledge needed to secure meaningful employment, breaking the cycle of unemployment and poverty.

FOUNDATION WEEK

Furthermore, Macquarie Foundation went beyond training and actively engaged with the community. They celebrated their foundation week by connecting with the youth at the DBTI Centre in Okhla, Delhi. This interaction not only fostered a sense of camaraderie but also served as a source of inspiration for the aspiring youth.

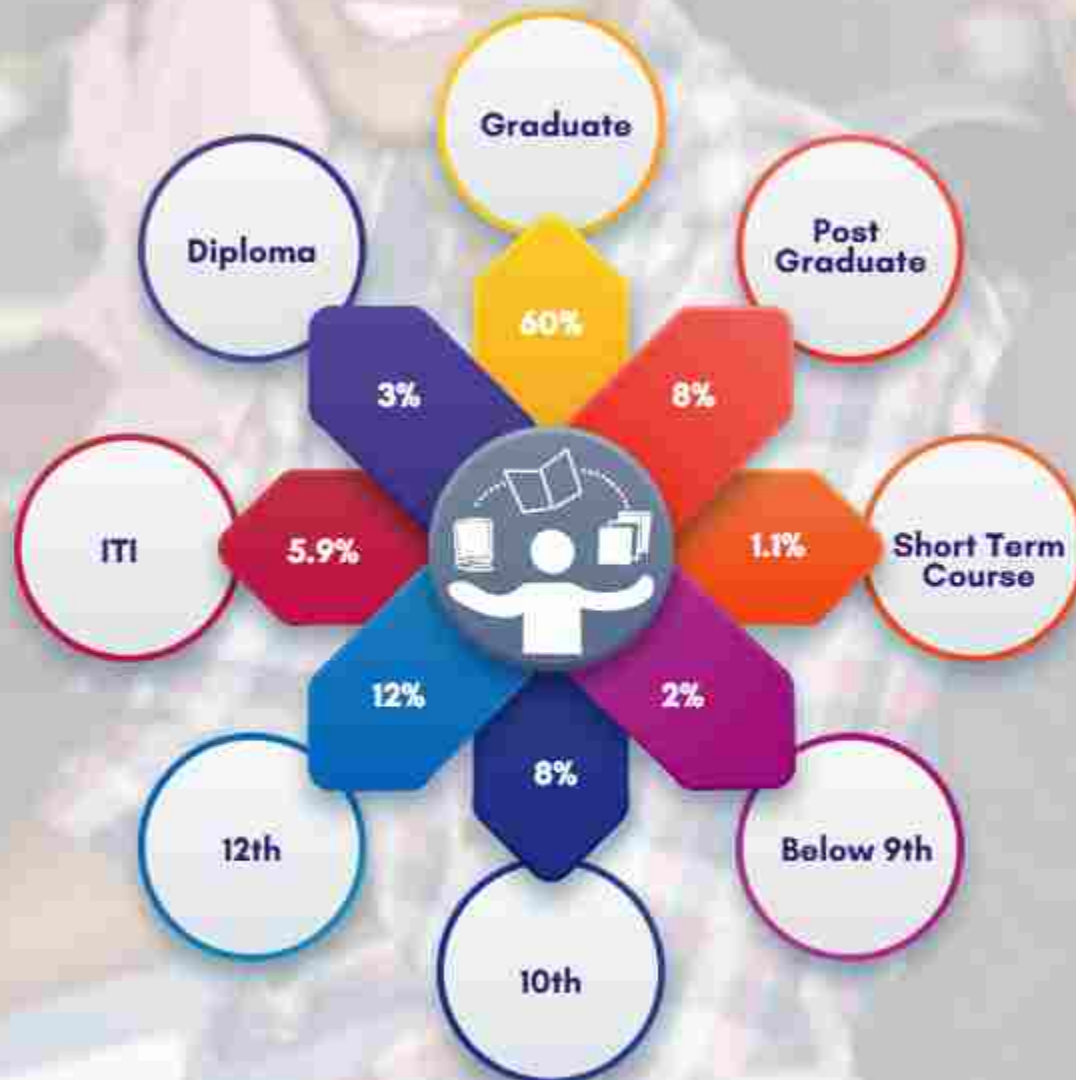

Additionally, a memorable cultural event was organized with the children of Navajeen Centre in Palam, New Delhi, reinforcing the commitment of Macquarie Foundation to enriching the lives of underprivileged communities. These initiatives exemplify the transformative power of collaboration and dedication in creating opportunities and fostering growth within disadvantaged populations.

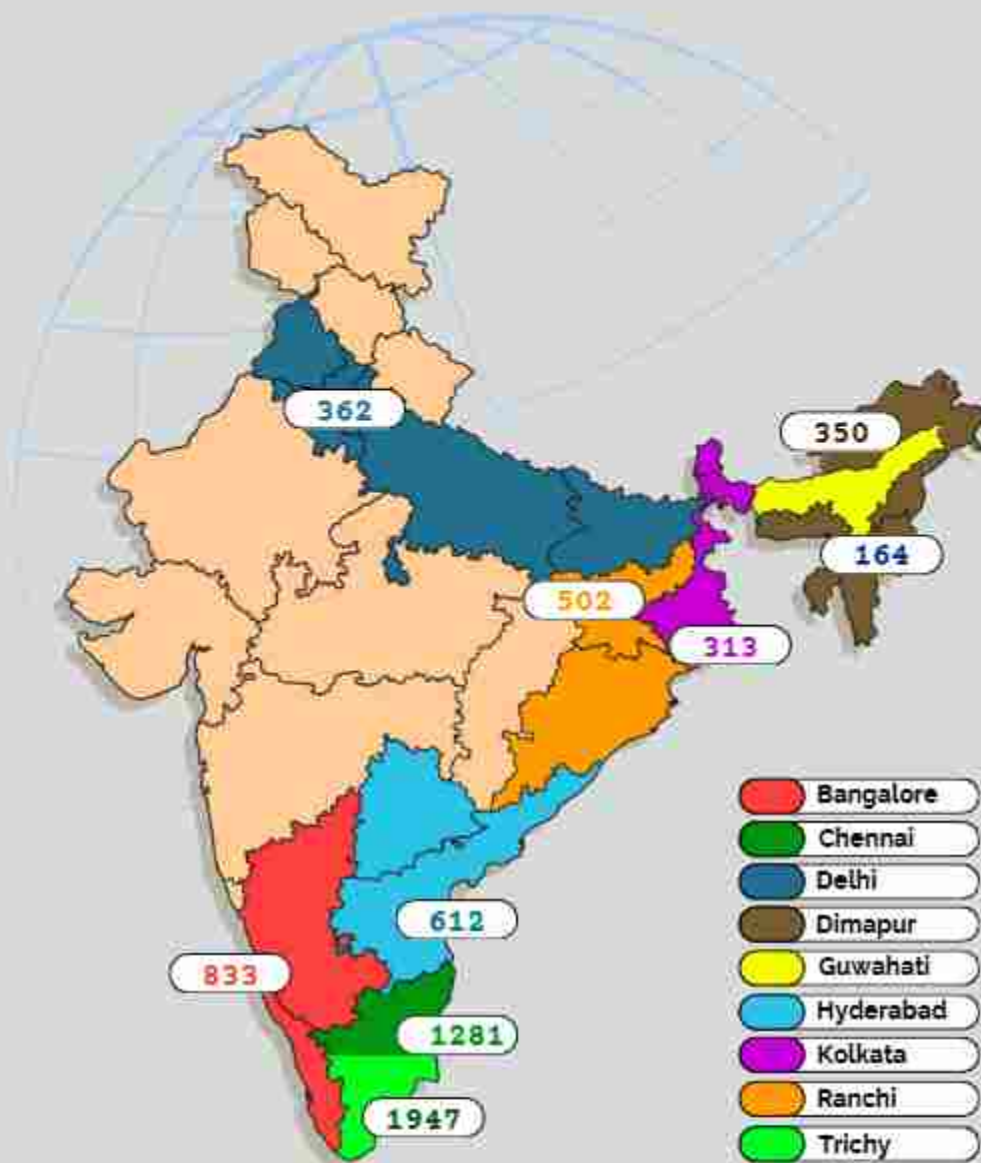

PLACEMENTS

610 job drives and 195 referral services done and through which more than six thousand job seekers were given opportunities and 6270 youth have been placed successfully on various jobs across the country. More than 120 candidates were provided Entrepreneurship skill training and they were guided to take up self-employment.

EDUCATION-WISE PLACEMENT CLASSIFICATION

REGIONAL-WISE PLACEMENTS

SECTOR-WISE PLACEMENTS

ALLIANCE BUILDING

DBJPN has actively forged strategic alliances with both government and private entities, fostering collaborations to orchestrate job drives and career guidance initiatives nationwide.

STATE AND CENTRAL GOVERNMENT

National Career Services, a placement portal by the Ministry of Labour and Employment, has recognised DBJPN as a Placement organization. (Reg. No: E17F76-1B0539S627986) in order to collaborate with them in training and placement.

KARNATAKA EMPLOYMENT EXCHANGE

In collaboration with Karnataka's Government Exchange offices, DBJPN organized 15+ job drives, placing 450+ jobseekers, and received recognition from District Employment Exchange offices for our support in job placement.

Associating with CII-Model Career Centre throughout the country to have a better networking with the recruiters and to provide decent job opportunities for the registered jobseekers.

TATA CONSULTANCY SERVICES

The program aims at providing Free Employability skill training for the SC/ST and other economically weaker candidates who are either pursuing graduation or have completed graduation and are unemployed.

NATIONAL INSTITUTE OF INFORMATION TECHNOLOGY

In collaboration with NIIT, DBJPN is involved in training and placements in Banking and Financial Services Sector. Candidates pursuing or completed graduation and unemployed, are enriched with the industrial knowledge.

HCL TECH BEE

It is an early career program for 12 standard students with partial scholarship. After one year of training at HCL candidates can pursue graduation program in BITS Pilani, SAITRA University or Amity University at the same time working with HCL.

HR MEETINGS

Establishing a robust network and maintaining regular interactions with recruiters has significantly enhanced prospects for superior job placements in an ideal work setting. A total of 10 scheduled networking meetings successfully engaged 189 recruiters, fostering valuable connections and opportunities for career advancement.

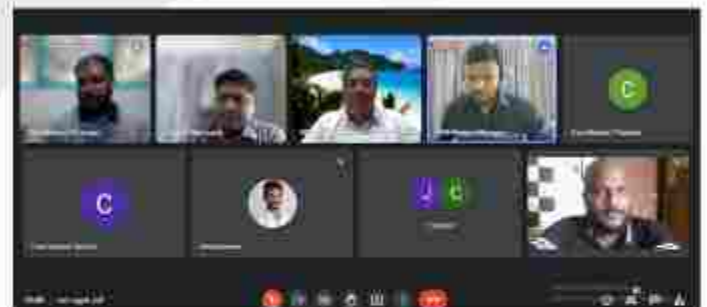

STAFF CAPACITY BUILDING

Staff capacity training was thoughtfully designed with a hybrid approach, incorporating both offline and online programs. The curriculum delved into essential topics such as Labor Market dynamics and the evolving expectations of today's youth in the job market. Engaging activities including team building exercises and enjoyable games centered around leadership and self-motivation were seamlessly integrated into the training sessions.

Furthermore, a novel Reporting and Documentation format was introduced, allowing staff to gain practical experience in its implementation. To provide real-world exposure, industrial visits to nearby companies were organized, encouraging participants to apply the acquired knowledge.

Additionally, a monthly reporting call was instituted, promoting open dialogue among staff members. This platform served as a forum for sharing strategies and ideas, fostering a collaborative atmosphere to overcome any obstacles collectively. These initiatives are now poised for effective implementation.

HELP LOCATION ASSISTANCE

Location services represent a crucial aspect of our efforts aimed at assisting young individuals who are embarking on job-related migrations. Our team of regional coordinators plays a pivotal role in ensuring the candidates' smooth and secure integration into their new workplace environments.

We take pride in our ongoing commitment to support these candidates by closely monitoring their progress, thereby fostering a positive and conducive work atmosphere. Our multifaceted approach includes proactively reaching out to candidates with valuable information, such as job openings, skill training opportunities, career guidance, and government support schemes.

We deliver these services through a variety of channels, including community programs, visits to educational institutions, distribution of informative brochures, organization of job fairs, implementation of training programs, and broadcasting relevant information via radio. This comprehensive approach has garnered high appreciation from both the youth seeking opportunities and the recruiters involved in the process.

TESTIMONIALS

Richard
Software Engineer | HCL Tech

"My name is Richard, hailing from a rural background, and I owe my career to DBJPN. They referred me to HCL Technology's Tech Bee program, where I successfully applied and got selected. After a year of rigorous training, I am now proudly employed as a Software Engineer at HCL Technology in Madurai, Tamil Nadu. DBJPN has played a pivotal role in turning my aspirations into a thriving reality, and I am profoundly grateful for their support and guidance."

Candidates placed through the DBJPN are ecstatic about their new job placements in the formal job market. The opportunity has brought immense joy to their families, as they can now provide financial support. These individuals also appreciate the support and career advancement opportunities offered by the Don Bosco Job Placement Network.

Rajesh Aind
Machine Operator

"My name is Asha Sarkar, a 55-year-old mother from Anarida Palli, Kolkata. My husband's battle with cancer forced him to quit his job, leaving us with mounting medical bills. Don Bosco Job Placement helped me secure a telecaller job near my home, giving me the means to support my son's education and my husband's treatment. I'm immensely grateful for this lifeline and commend the valuable work Don Bosco Job Placement does for individuals like me in need."

Joshua
Data Analyst | Accenture

"I'm Joshua from Delhi, a hopeful BTech graduate with dreams of working in top IT companies in Delhi. Unfortunately, it felt out of reach until I stumbled upon a Job Fair by DBJPN. Today, as a Data Analyst at Accenture, my dream is a beautiful reality, and my heart brims with gratitude to JPN for being the bridge that made my destiny a little more attainable."

Madhan Mammu
Steward | Radiant Resorts

"I am Madhan Mammu. My journey to find work in Bangalore was initially futile, until I discovered a short-term skill training program by Don Bosco. With their support, I completed training in the hospitality sector and secured a position as a Steward at Radiant Resort. DBJPN has transformed my life, providing a path out of financial hardship and towards a brighter future for my family and me."

Radha Kumari
Hostess | Ar Han Thai

"I am Radha Kumari, 28 years old, living in central Kolkata with my mother and sisters, grappling with financial hardships due to my absent father. Don Bosco Job Placement provided invaluable assistance to someone like me in need, helping me secure a role as a cashier and hostess at Ar Han Thai. Their guidance and support have been instrumental in my journey towards a more stable future."
